MINI-VIDEO™

When every inch counts, the benefits of Gremlin's new MiniVideo games really add up! These compact space savers measure only 22" × 21" × 20". But they give your players all the challenging thrills of big machine games. And give you big game profit potential!

Gremlin MiniVideo can be furnished with most of our winning games. Like DEPTHCHARGE™ and HEAD-ON.™ And you can change from one game to another as easily as pulling out a game drawer and sliding in a new one!

Yet despite their small size and 75 lb. (134 kg.) weight, these new MiniVideo games give you all the exciting features of Gremlin big cabinet models. Like loud, realistic sound effects. Rugged player controls. An easy-access cashbox. The same dependable Gremlin components, all within easy reach. And our exclusive E-Z ADJUST™ volume control and advertising sound-off switch.

You can't beat Gremlin Mini-Video games for packing big game excitement into limited space. So call your Gremlin distributor today for all the details.

He'll show you how MiniVideo can turn player profits at your location into a whole new game.
